

St. Luke's Altar Server Ministry Registration Form

Altar Servers are generally children or teenagers who assist a priest during Mass. The name comes from the Latin word “ministrare,” which means “to serve”. An altar server must be willing and interested to participate in this ministry independently and not by parental or peer pressure. Parents must actively support their child in this ministry by ensuring that the altar server arrives at their assigned Mass on time.

***Please note that to receive training and be a part of St. Luke's Altar Server Ministry, you must have received First Holy Communion and whose family is registered with St. Luke's Parish.**

***Please leave the filled form at the parish office/drop it at the collection box or scan and email it to info@stlukeschurch.ca. After your completed registration form is received, you will be contacted and informed about the next Altar Server Training Session.**
